Unstoppable Women Leadership Breakfast

March 11, 2022

The Junior League of Richmond invites you to join us at our third annual Unstoppable Women Leadership Breakfast on Friday, March 11th, 2022.

Taking place at The Dominion Club in celebration of International Women's Day, this event features prominent women leaders from a wide range of professional backgrounds. Attendees will hear from Keynote Speaker Erin Powell about redefining leadership to effectively lead through a pandemic. We hope all attendees will leave this event feeling inspired and ready to unleash their inner leader.

This event is a fundraiser for the Junior League of Richmond. Funds raised from the event directly support the Junior League of Richmond and its mission of promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Through our community programs, the Junior League of Richmond is helping young women jump start their careers, working with women transitioning from domestic violence shelters, and helping combat recidivism. We help women and children expand literacy skills, teach nutrition and provide access to healthy food, and build capacity in other local nonprofits through our Done-in-a-Day program.

Start your morning right and join us for the Unstoppable Women Leadership Breakfast.
